To become a Driver Education Instructor, you must attend and satisfactorily pass the 80-hour Basic Driver Education Course (BDEC). The classes are Monday through Friday from 8:00am to 5:00pm. Attached is the current schedule of classes. This year we will be offering the week of classroom virtually. Individuals who select the virtual option will attend classroom portion online. The virtual class will be taught live and cover the same material as the in-person class. All students will attend the behind-the-wheel training in-person. **The checks or money orders are made out to NCDMV.**
